## Legacy Series Standard Features

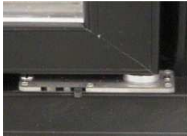

The "T" mullion design of the Legacy Series doors assures strength and support for the walk in box header panels.

The triple seal gasket utilizes a magnetic beaded door gasket fitting into a recessed frame gasket to assure a positive air tight seal

The Kwik Level\* system is placed at the top of the door making it simple to sight down the line-up adjusting each door to the next Door leveling is simple and easy.

The unique design of the Kwik Torque\* makes adjusting tension a snap. Just 3 to 4 clicks and the door shuts and seals with ease.

The positive hold open holds the door open to a full 90 degrees. Simply pull the door to 90 degrees and it locks in place. Release the door by pushing lightly for a positive air tight seal.

**Upgrade to the optional LED Hi Definition Lighting system with a 5 year warranty**  
**Brightest light with the best product coverage**  
**Optional Motion Sensor to further reduce your Energy Consumption**  
**No annoying side glare as commonly found with other LED systems**  
**Contact the factory and see how much you can save with the Hi Definition LED Lighting System from CDS**

\*CDS products are covered by patent: 6,978,516
